

Don't Stop (Goldsworthy/Jupp/Digital)

The heat is on  
And the talkin's done  
There's only one thing on your mind  
Like a hurricane  
You can never tame  
Showing all the danger signs

Lady, lady  
Use me up and leave me for dead  
Lady, lady  
I can't get you out of my head

Don't stop, don't stop  
'Cos I'm lovin' every minute of it  
Don't stop, don't stop  
I can't get enough of it  
Don't stop, don't stop  
'Cos I'm lovin' every minute

You were dressed to kill  
Born to thrill  
And when I hear your body talk  
I start to shake  
But make no mistake  
I'll be coming back for more  
Yes I will

Lady, lady  
Use me up and leave me for dead  
Lady, lady  
I can't get you out of my head

Don't stop, don't stop  
I'm lovin' every minute of it  
Don't stop, don't stop  
I can't get enough of it  
Don't stop, don't stop  
Oh I'm lovin' every minute  
Lovin' every minute

Don't stop, don't stop  
'Cos I'm lovin' every minute of it  
Don't stop, don't stop  
I'm lovin' every minute of it  
Lovin' every minute  
Don't stop, don't stop  
I can't get enough of it  
Don't stop, don't stop  
'Cos I'm lovin' every minute  
Don't stop, don't stop  
I can't get enough of your love  
Don't stop, don't stop  
Oh I'm lovin' every minute  
Lovin' every minute
