

Ain't Too Proud (Overland/Goldsworthy/Jupp/Barnett)

I remember the day  
When my Mamma said to me  
When you find that girl  
Give her everything she needs  
And she'll be true to you  
If you love and treat her right  
'Cos you only get one chance  
So take a little good advice

Then you walked into my life  
You could see it in my eyes

I ain't too proud  
Ain't too proud to tell you how I feel  
Ain't too proud  
To beg, borrow or steal  
Ain't too proud  
'Cos I'd do anything for you  
I ain't too proud, ain't too proud

I remember the time  
When my Daddy said to me  
The goods things in life  
Well you know they don't come easy

So I knew when I found you  
That the words they said were true

I ain't too proud  
Ain't too proud to tell you how I feel  
Ain't too proud  
To beg, borrow or steal  
Ain't too proud  
'Cos I'd do anything for you

I ain't too proud  
Ain't too proud to tell you how I feel  
Ain't too proud  
To beg, borrow or steal  
Ain't too proud  
Ain't too proud to tell you how I feel  
Ain't too proud  
To beg, borrow or steal

I ain't too proud
