

Hard Day In Hell
(Overland/Goldsworthy/Jupp/Barnett)

There's a shadow hanging over this town
The skies are always black
And the rain keeps falling down
When I look out of the window
The reflection that I see
Is the shadow of a man
Half the man I used to be
I close my eyes
Try to ease the pain
A million thoughts of you
Go round inside my brain
It's driving me crazy
It's driving me mad
My heart cries out for mercy
'Cos I'm missing you so bad

Baby I'm dying
And I don't know what to do
Since you tore out my heart
And you ripped it in two

It's been a hard, hard day in hell
Another twenty-four hours to kill
Well I know I'm gonna break
'Cos I don't think I can take
Another hard, hard day in hell
Another hard day in hell

Got so much love
To give to you
Wanna hold you in my arms
The way I used to do
Put my hands on your body
Make love to you all night
Wanna take you to the limit
Within an inch of your life

Baby I'm missing you
And I need your love so bad
I'm going crazy over you
And it's driving me mad

It's been a hard, hard day in hell
Another twenty-four hours to kill
Well I know I'm gonna break
'Cos I don't think I can take
Another hard, hard day in hell
Hard day in hell

It's been a hard, hard day in hell
Another twenty-four hours to kill
Well I know I'm gonna break
'Cos I don't think I can take
Another hard, hard day in hell
Hard day in hell
Hard day in hell
