

Don't Say (Overland/Goldsworthy/Jupp/Barnett/Davis)

It ain't no bed of roses
Ain't no easy ride
Who do you think you're fooling
I can see through your disguise
Some things you put behind you
Some things you can't ignore
There's nothing you can say that I don't already know
I've heard it all before

Don't say you love me if you don't
Don't say you need me
Don't say you'll miss me when I'm gone
Don't say you want me, don't waste my time
Just say what's really on your mind

You play with my emotions
Crying crocodile tears
It's all just one long masquerade
Just to keep me here
Sometimes you had me believing
Sometimes you're so sincere
Nothing you can do can make me change my mind
So let me make it clear

Don't say you love me if you don't
Don't say you need me
Don't say you'll miss me when I'm gone
Don't say you want me, don't waste my time
Just say what's really on your mind

No more days of confusion
No more living a lie
No more long and lonely sleepless nights
I've left it all behind

Don't say you love me if you don't
Don't say you need me
Don't say you'll miss me when I'm gone
Don't say you want me, don't waste my time
Just say what's really on your mind

Don't say you love me if you don't
Don't say you need me
Don't say you'll miss me when I'm gone
Don't say you want me, don't waste my time
Just say what's really on your mind
