

Nobody's Fool
(Overland/Goldsworthy/Jupp/Barnett/Davis)

Tell me who are you
To think you got the better of me
Tell me who are you
To take such a liberty
'Cos girl I got your number
I can read you like a book
You think you're cool but I ain't fooled
I ain't quite as dumb as I look
Oh as dumb as I look

And I ain't wasting
Wasting my time on you
I'll tell you why
I ain't nobody's fool
Ain't nobody's fool
Ain't nobody's fool
Ain't nobody's fool

You can't hide the truth
'Cos I know what's going on, what's going on
Another pack, another pack of lies
Rolls off that silver tongue
You expect me to believe you
You try to sound sincere
I've had enough, my mind's made up
I've packed my bags, I'm out of here

And I ain't wasting
Wasting my time on you
I'll tell you why
I ain't nobody's fool
Ain't nobody's fool
Ain't nobody's fool
Ain't nobody's fool
Let's rock it up

Ain't nobody's fool
I ain't wasting
Wasting my time on you
Well I ain't nobody, ain't nobody, ain't nobody's
Ain't nobody's fool
Ain't nobody's fool

Well I ain't nobody, ain't nobody, ain't nobody's
Ain't nobody's fool
Ain't nobody's fool

Don't waste my time baby

Well I ain't nobody's fool
Ain't nobody's fool
Don't wanna waste
Don't wanna waste my time on you
Ain't nobody's fool

Well my mind's made up, walking out the door
With a girl like you I should have known the score
I'm leaving now before I lose my cool
I ain't nobody's fool
Nobody's fool
