

Love Lies Dying
(Goldsworthy/Overland/Jupp/Overland/Digital)

Call on me
When you need someone to rely on
If you need a shoulder to cry on
Call on me
Can't you see
It's time to face the facts
It's no use looking back, so let it be
And it's breaking my heart
Tearing me apart
If I could find a way
But what can you say

When your love lies dying
And the thrill has gone
We had nowhere left to turn
We can't keep holding on
When your love lies dying
And the thrill has gone
It's all over save the crying
I'm not the only one

Yesterday
The fire still burned high
Now it's the flame that makes you cry
That was yesterday
Who's to say
Things are better left unsaid
Or would you rather be misled
Only you can say
And it's breaking my heart
Tearing me apart
If I could find a way
But what can you say

When your love lies dying
And the thrill has gone
We've got nowhere left to turn
We can't keep holding on
When your love lies dying
And the thrill has gone
It's all over save the crying
I'm not the only one
When your love lies dying

We've had our share of pain
It's time to end this game
I'll be the one, I'll take the blame

If I could find a way
But what can you say

When your love lies dying
And the thrill has gone
We had nowhere left to turn
We can't keep holding on
When your love lies dying
And the thrill has gone
It's all over save the crying
I'm not the only one
I'm not the only one

Love lies dying
And the thrill has gone
Baby won't you call on me
I'll be there, I'll be there, I'll be there
Love lies dying
And the thrill has gone

When your love lies dying
And the thrill has gone
