

Hollow (Overland/Goldsworthy/Jupp/Davis/Kirkpatrick)

I don't know what I'm feelin'
Lately my life has no meaning
It's a big world out there
We had something good here
Now it seems that's not enough
I know it won't be long
You'll be heading for home
Am I really tough enough

Chorus

'Cos I'm hollow
I don't know how I'll get by
Each day feels as long as the rest of my life
I can't eat I can't sleep
This cloud over me drags me down
'Cos I'm hollow when you ain't around

Every corner every backstreet
All those places where we used to meet
We grew up side by side
We were here for the ride
Girl together we'd grow strong
I know life has to change
But I'm still feelin' the same
For me you'll always be the only one

Chorus

Whatever it takes
Or how long the wait
I'll still be waiting here for you

I'm hollow
I don't know how I'll get by
Each day feels as long as the rest of my life

Chorus x 2

I'm hollow now you ain't around
