

I Ain't The One (Overland/Goldsworthy/Jupp/Davis/Kirkpatrick)

I ain't the one
I ain't the one

I've been battered
I've been broken
Had my heart dragged all over this town
My whole world's been split wide open
I've been kicked around
Yeah yeah
My life's been no bed of roses
I gave my love far too easily
Just get started then it's over
Wear my heart out on my sleeve

If you're looking for an easy touch
If you're looking for some part-time love
Just look away
Just look away

Chorus

I ain't the one
I ain't the one
Girl this time I'm staying down
I can't go another round
I ain't the one
I ain't the one
Yeah yeah yeah

I've had my share of disappointments
Always betting on the losing game
Every time I seem to jump right in
I'm shot down in flames

If you're looking for someone to use
To kick around and abuse
Just look away
Just look away

Chorus

I've been kicked when I've been down
It's time to count me out

I've got nothing left
Nothing left inside
I've paid my dues
I've done my time
If you're looking for an easy touch
If you're looking for some part-time love
Just look away
Just look away

Chorus

I've been kicked when I've been down
Now its time to count me out

I ain't the one
I ain't the one
Yeah yeah yeah
I ain't the one
I ain't the one

I don't want your part-time love
Done my time
I've had enough
I'm not the one you're thinking of
I ain't the one
