

**Over You** (*Overland/Goldsworthy/Jupp/Davis/Kirkpatrick*)

**Chorus 1**

I've been a fool to myself for too long  
Something so right should turn out so wrong  
I came to my senses I started anew  
I'm back on my own now I'm over you

**Chorus 2**

Caught in your world I couldn't see  
You were the chains that binded me  
Look in my eyes when I tell you it's true  
I'm back on my own I'm over you

Well looking back I should have seen the signs  
Was I so wrong to believe your lies  
Make no mistake there's no denying  
I've had my fill  
My fill of cryin'

Chorus 1

Well thinking back to those early days  
That perfect lover was just a role you played  
When the curtain falls and it all comes down  
You left my heart at the lost and found

Chorus 1

**Chorus 3**

I couldn't see  
You blinded me  
You know it's true  
I'm back on my own  
I'm over you

(Cry) I won't cry a single tear for you  
(Goodbye) 'Cos I know I won't be missing you

Chorus 1

**Chorus 4**

I couldn't see  
You blinded me  
You know it's true  
I'm over you  
I'm over you

Chorus 1

Chorus 2

I'm over you  
Over you  
Over you  
I'm back on my feet again

Chorus 4

Chorus 3
