

Unbreakable (*Overland/Goldsworthy/Jupp/Davis/Kirkpatrick*)

The cold hand of winter reaches out again
Another year passes by
We've seen some changes
This bond that still remains
A knot no-one could untie

And I'm always here
When the world it lays heavy on your heart
Just reach out
Let your burdens pass you by
Throw away your fears
Nothing could ever tear us apart
Trust in me
I'm forever by your side

Like a river flows
This love keeps rollin' on and on

Chorus

Stronger than steel
We'll always be
Unbreakable
We'll carry on
Weather the storm
We're unbreakable
Until the sun doesn't rise
Till this world stops turnin'
I'll always believe that you and me
We're unbreakable

Good times
Bad times
Always come around
Nothin' could break down these walls
If temptation comes
And tries to take us by the hand
Don't despair (I'll be there)
We'll survive against it all

Like the sands of time
We'll keep on rollin' on and on

Chorus x 2

Trust in me
We'll always be
Unbreakable
Against it all
We'll carry on
We're unbreakable

We're unbreakable
