

**Crave** (Overland/Goldsworthy/Jupp/Davis/Kirkpatrick)

I see you cry  
But there's nothing to talk about  
(Talk about)  
I don't know why  
But it's too late to work it out  
(Work it out)  
We tried to hold on  
To something that's gone  
You say it's alright  
But I know it's wrong  
I let you down  
Time after time  
You need someone better in your life

**Chorus**

'Cos I'm not the one  
The one that you need  
So just walk away  
And forget about me  
'Cos one of these nights  
One of these days  
You're gonna find  
All the loving you crave

Just thinking back  
There were some better times  
Came off the tracks  
I guess I didn't try  
You gave it all  
Body and soul  
It's hard to make it  
When you're on your own  
You wanted someone  
I'll never be  
You're just too good for me

Chorus

I'm just no good  
No good for you  
I get it wrong  
Whatever I do  
'Cos one of these nights  
And one of these days  
You're gonna find  
All the loving you crave

Chorus

I'm just no good  
(No good)  
No good for you  
(For you)  
I get it wrong  
Whatever I do  
'Cos one of these nights  
And one of these days  
You're gonna find  
All the loving you crave

Crave

You're gonna find  
All the loving you  
Find all the loving you crave

Crave

Crave

Crave
