

Crosstown Train *(Overland/Goldsworthy/Jupp/Davis/Kirkpatrick)*

I want a life in the fast lane
I want to break these chains
Put the past behind me
Start living again
I'm tired of these old streets
It's time to break away
Checking out of this town
Before it's too late

Day by day
The clock keeps ticking
I'm just wasting time
I keep wishing
Something's missing
Missing from my life

Chorus

Crosstown train
Take me to the other side
Crosstown train
Got a ticket to another ride
I've done my time
I've paid my dues
But now I'm cutting loose
Crosstown train
Take me to the other side
Crosstown train
Take me on a midnight ride
Crosstown train

I want a piece of the action
I want a roll of the dice
I want to look to the future
And move on with my life
Wanna step into the water
Wanna jump right in
Gonna set the wheels in motion
Start living again

Day by day
The clock keeps ticking
I'm just wasting time
I keep wishing
Something's missing
Missing from my life

Chorus

I'm stranded
I'm broken
I need a new identity
Keep rolling
Down this track
Take me to my destiny
Set me free

Crosstown train
Crosstown train

Chorus

On a midnight ride

Crosstown train
Crosstown train

Crosstown train
Crosstown train
Take me to the other side

Crosstown train
