

## My Love Bleeds (Overland/Goldsworthy/Jupp/Davis/Kirkpatrick)

When I think about you  
(The heat begins to rise)  
Giving me the chills I'm  
(Burning up inside)  
This feeling's stronger  
(Stronger everyday)  
When I think about you  
All that I can say is

My love bleeds (my love bleeds)  
My love bleeds  
(My love my love my love bleeds)

When it comes to loving  
(You leave the rest behind)  
Gotta get my fix now  
(Body, soul and mind)  
I don't need no drug now  
(It's you that gets me high)  
The way you rock my world  
I'm addicted to you girl

My love bleeds  
My love (my love bleeds)  
My love bleeds  
(My love my love my love bleeds)

Woah you're the whisky to my soul  
Woah you're the rock that makes me roll  
Woah you're the air I breathe  
As my love bleeds  
(My love my love)  
My love  
(My love my love)  
Yeah yeah

Well you're sending shivers  
(Running down my spine)  
Well you're filthy sweet and  
(Glad to say you're mine)  
And the pressure's rising  
(Rising to the top)  
Ain't no turning back now  
Baby I can't stop as

My love bleeds  
My love (my love bleeds)  
My love bleeds  
My love (my love bleeds)

Woah you're the whisky to my soul  
Woah you're the rock that makes me roll  
Woah you're the air I breathe  
As my love bleeds

(My love)  
My love (my love)  
My love (my love)  
My love (my love bleeds)  
(Can you feel it my love can you feel it  
my love can you feel it my love)  
(My love bleeds)

(My love my love)

Simply irresistible  
I need you night and day  
Baby you're insatiable  
You take me all the way  
You're some kind of miracle  
All that I can say is

My love bleeds (my love bleeds) x3

When I think about you  
All that I can say is

My love (my love)  
Can you feel it (my love)  
Can you feel it (my love)  
(My love bleeds)  
(Can you feel it my love)  
(Can you feel it my love)  
(Can you feel it)  
My love  
(My love bleeds)  
Can you feel it  
Can you feel it  
Can you feel it  
(My love bleeds)  
Can you feel it  
(My love bleeds)  
My love (can you feel it)  
My love (can you feel it)  
Can you feel it (my love bleeds)  
Can you feel my love  
Can you feel it  
(My love bleeds)
