

Show Me The Way *(Overland/Goldsworthy/Jupp/Davis/Kirkpatrick)*

Show me the moon
The heavens above
Show me the truth
Unconditional love
Show me happiness
With no price to pay
Won't you show me the way

Show me a land
With the sun and the sea
Show me a paradise
For you and me
Show me a future
A brand new day
Won't you show me the way

Chorus

Won't you show me the way
The world keeps turning
Day after day
If we all pull together
We can make a change
Won't you show me the way
(Show me the way)
Won't you show me the way

Show me the way

Show me a world
Where we walk hand in hand
Show me a language
We all understand
Show me a trust
I can never betray
Won't you show me the way

Show me a place
With no anger or pain
Black or white
We're all the same
Show me one God
To who we all pray
Won't you show me the way

Chorus

Everybody's looking
Everybody's looking
For a better way
Everybody's looking
For someone to set them free
Set them free

With hope and fear
We'll turn the page
Just take my hand
Someone to set them free

Chorus

Show me the way
Won't you show me the way
Show me the way
Won't you show me the way

Everybody's looking
For a better way
(Show me the way)
Everybody's looking
For someone to set them free
