

Don't Stop (Goldsworthy/Jupp/Digital)

The heat is on
And the talkin's done
There's only one thing on your mind
Like a hurricane
You can never tame
Showing all the danger signs

Lady, lady
Use me up and leave me for dead
Lady, lady
I can't get you out of my head

Don't stop, don't stop
'Cos I'm lovin' every minute of it
Don't stop, don't stop
I can't get enough of it
Don't stop, don't stop
'Cos I'm lovin' every minute

You were dressed to kill
Born to thrill
And when I hear your body talk
I start to shake
But make no mistake
I'll be coming back for more
Yes I will

Lady, lady
Use me up and leave me for dead
Lady, lady
I can't get you out of my head

Don't stop, don't stop
I'm lovin' every minute of it
Don't stop, don't stop
I can't get enough of it
Don't stop, don't stop
Oh I'm lovin' every minute
Lovin' every minute

Don't stop, don't stop
'Cos I'm lovin' every minute of it
Don't stop, don't stop
I'm lovin' every minute of it
Lovin' every minute
Don't stop, don't stop
I can't get enough of it
Don't stop, don't stop
'Cos I'm lovin' every minute
Don't stop, don't stop
I can't get enough of your love
Don't stop, don't stop
Oh I'm lovin' every minute
Lovin' every minute
